Production target of bio-diesel

4554. PROF. P.J. KURIEN: Will the Minister of RURAL DEVELOPMENT be pleased to state:

(a) whether Government are considering to promote production of bio-diesel in the country as a substitute for fossil fuel;

(b) if so, the details thereof;

(c) the details of production of bio-diesel at present in the country; and

(d) the Eleventh Five Year Plan target for the same and the action proposed by Government to achieve the same?

THE MINISTER OF STATE FOR RURAL DEVELOPMENT (SHRI CHANDRA SHEKHAR SAHU): (a) and (b) Yes, Sir. The Ministry of Rural Development has been identified as the nodal Ministry for processing the recommendations of the Planning Commission's Committee on the Development of Bio-fuel (2003). The Committee recommended launching of a National Mission on Bio-Diesel with special focus on the plantation of jatropha, the seed of which forms the feedstock for production of bio-diesel. Accordingly, it is proposed to take up a demonstration programme involving plantation of 5 lakh hectares of bio-fuel plantation over a period of 5 years.

(c) and (d) At present, there is no organized framework in the country for bio-diesel production and marketing on commercial scale. Under the demonstration phase of the national mission on bio-diesel, which is expected to be co-terminus with the Eleventh Five Year Plan, about 6 lakh metric tones of bio-diesel is likely to be produced annually from the 5 lakh hectares of bio-fuel plantation.
